

GoFundme Site is back online

a GOFUNDME site is just one of our efforts to attain the funds to send the original flag of the North Carolina Grays to be conserved.

After the flag is conserved it will be displayed to the public in the NC Museum of History in Raleigh, NC.

The Cedar Fork Rifles Preservation Society Inc. wishes to thank all those who helped make starting this project a success. **We still have a very long way to go** before we see this flag displayed so all can view it's beautiful folds, but through the kind generosity of people like all of you we are getting closer every day.
